

# HOW TO USE MY ONLINE SONGBOOK

## STEP 1.

Use your **APPLE** or **ANDROID** smartphone or tablet

Find the “**SETTINGS**” menu

(it usually has a picture icon similar to those below)

APPLE  
SETTINGS

ANDROID  
SETTINGS

## STEP 2.

Select “**Wi-Fi**”

(it usually has a picture icon similar to the one below)

## STEP 3.

Make sure “**Wi-Fi**” is switched on (see picture icon below)

**STEP 4.**

From the list of “AVAILABLE NETWORKS”

CLICK the “NETWORK” name for this venue & enter the “Wi-Fi PASSWORD”  
(NOTE that some passwords use CAPITAL Letters, others are lowercase)

VENUE	NETWORK	Wi-Fi PASSWORD
Friends Bar	FriendsWifi	Friendsbar2000
The Frog & Toad	HOUSE WI-FI	FROG1968
The Legion	THE_LEGION	123123123
Sapphire Resto Bar	SAPPHIRE	Lovesapphire
Chalkie’s Bar	CHALKIES	ilovechalkies
Queen’s Bay Hotel	QUEENS BAY	enjoysun

**STEP 5.**

Use your APPLE or ANDROID smartphone or tablet

Open your preferred web browser app to search the internet

(For example:-)

Chrome

Edge

Firefox

Google

Opera

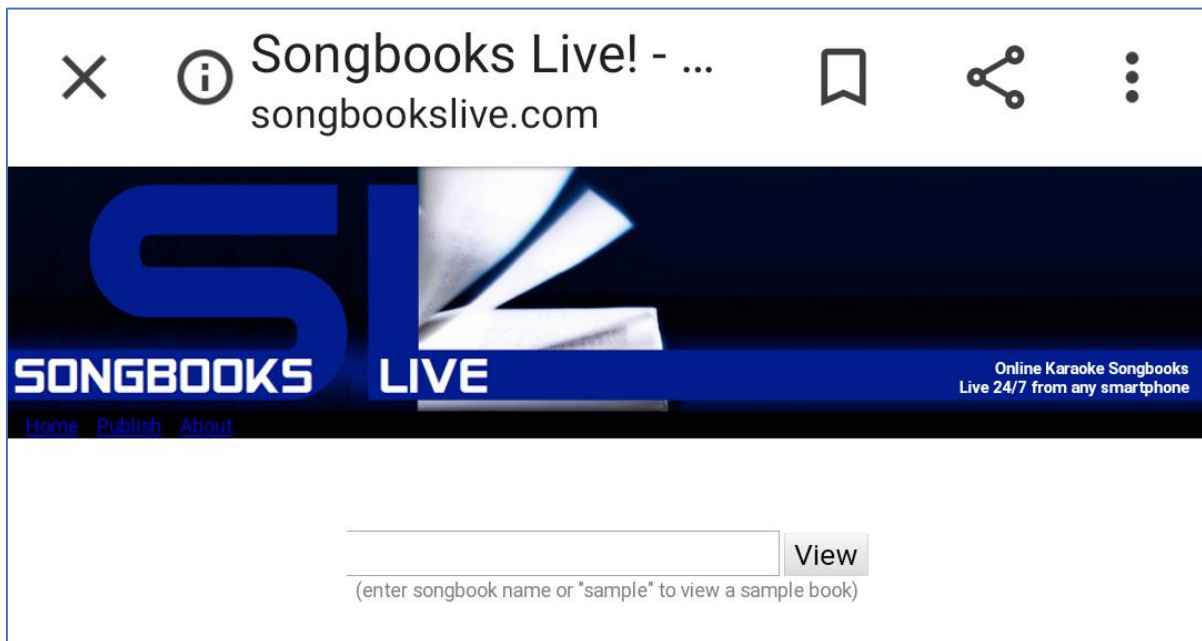

Safari

## STEP6.

In your chosen browser app's search or address bar type:-

[www.songbookslive.com](http://www.songbookslive.com)

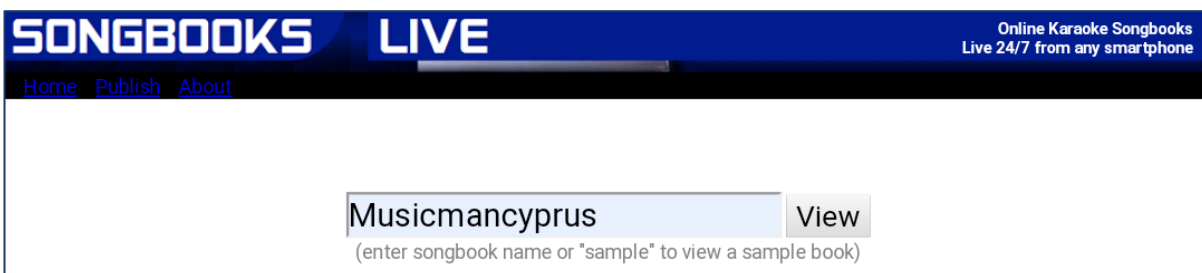

You should arrive at a screen similar to this:-

## STEP7.

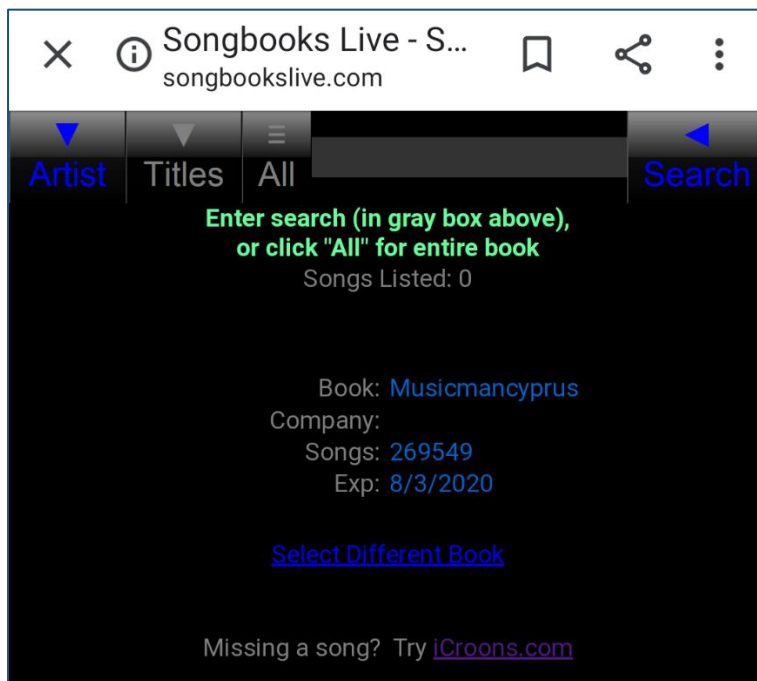

Click in the window and type:- musicmancyprus

Then click the "View" button

## STEP 8.

You should arrive at a screen similar to this:-

In the grey search area:-

Type the name of the ARTIST or SONG you want to search for  
(for example “Elvis” see below)

then press the “Search” button

You can then swipe up and down to see all the songs and artists that contain the word you searched for (in this case “Elvis”).

With this “Elvis” example you can see we get CHRISTMAS songs by Elvis first, then if you scroll down you get MEDLEYS of songs by Elvis, then if you continue scrolling you get songs by other artists like Elvis Costello, Elvis Presley etc.

To perform another search just click back into the grey area at the top, type another song or artist and click “Search”

## STEP 9.

Once you have found the first song you want to sing:-

**FILL OUT A REQUEST SLIP** (this places you as a singer in the queue).

**BLANK REQUEST SLIPS CAN BE FOUND AT THE FRONT OR  
BY THE KARAOKE HOST**

**NEVER VERBALLY ASK THE HOST TO PUT YOU IN FOR A SONG,  
PLEASE ALWAYS WRITE OUT A REQUEST SLIP!**

**PLEASE WRITE CLEARLY & NEATLY & INCLUDE:-**

<b>YOUR NAME</b>	<i>Jim O.</i>
<b>SONG TITLE</b>	<i>Candle in the wind</i>
<b>ARTIST</b>	<i>Elton John</i>
<b>*KEY CHANGE</b>	<i>Down 2</i>
<b>*VERSION</b>	<i>Chartbuster</i>

### **\*KEY CHANGE**

(You only need to put this if you need the song higher or lower than the original key)

### **\*VERSION**

(You only need to put this if you require a specific karaoke version of a song from karaoke track manufacturers like SUNFLY, ZOOM, CHARTBUSTER etc. – we will ALWAYS select what we consider the best backing track unless you specifically ask for a particular version – IF YOU WANT SUNFLY, ASK FOR SUNFLY I AM NOT A MIND READER!)

**IF I CAN'T READ YOUR SLIP – I CAN'T CALL YOU UP TO SING!**
